Terms and Conditions

Our Terms and Conditions

We are Fosters Foliage by Design Limited trading as Fosters Breathing Space and Christmas Tree Rentals. You are the individual or business named in the quotation which you have accepted. These Terms and Conditions set out our obligations to you and your obligations to us which we refer to as the Agreement when you buy or hire Christmas Displays and equipment from us.

Other definitions

These are the meanings of terms which we use:

The start date is when the period of hire begins.

Hire Period means the period of hire set out in the Decorations Schedule or usually any period between 15th November to 15th January or any other agreed dates.

Interest is a payment calculated at 4% above the base rate of HSBC Bank plc compounded on each rental payment day.

Rental payment for the Hire Period means the sum set out plus vat.

Christmas Displays includes the Tree, Decoration, Lights, Parcels, Stands, Electrical equipment and any other related item described in the quotation which you have accepted or any other equipment used to provide the Christmas Displays.

Supply of Christmas Displays shall be acceptance of such agreement. By accepting our quotation via email, Telephone, Fax, Purchase Order, Order Form, Online ordering through www.christmastreerentals.co.uk or by any other means you are accepting the terms and conditions within this agreement as stated below.

Purchase

If you are purchasing Christmas Displays from us then:

We shall do our best to deliver these to you within the period or by the date stated in the quotation; but we shall not be liable to you if we are unable to meet this date (in legal terms time is not of the essence); and in exceptional circumstances we may be unable to deliver the Christmas Displays to you at all for reasons beyond our control in which case our obligations to you will cease (in legal terms this is force majeure). Additional charges for non standard deliveries may be applicable if site access is restricted or an out of hours delivery is required without giving prior notice.

Cancellation

If you cancel your order 28 days before the date by which we are due to deliver your Christmas Displays to you we may charge up to 50% of the price of the Christmas Displays.

If you cancel your order 14 days or less before the date by which we are due to deliver your Christmas Displays to you we may charge up to 80% of the price of the Christmas Displays.

Payment

You will make the rental payments in advance.

Payment terms are 30 days from date of invoice for existing account customers.

Payment terms are immediate in advance of delivery for new customers.

You will pay interest upon any late payments.

Failure to pay within 30 days from date of invoice will incur additional costs as charged to Fosters Breathing Space by a debt recovery agent.

Hire

If you are hiring Christmas Displays then during the period of the Agreement between us;

We may send a representative to inspect the Christmas Displays at intervals which we believe to be right for this purpose.

You will give us access at reasonable times to inspect and attend to the Christmas Displays.

You will not move the Christmas Displays without obtaining our prior agreement.

You will not deal with the Christmas Displays as though you are an owner, or lend or rent them out to another.

Additional charges for non standard deliveries may be applicable if site access is restricted or an out of hour's delivery is required without giving prior notice.

We may where stated supply Christmas Displays with lights unless specified otherwise. All our lights will be new or PAT tested prior to delivery and will be in good working order.

We may replace lights at our discretion where the failure of the lights is deemed to have been caused by us.

We may offer replacements at a time suitable for us.

You will provide where required a safe 240v electrical supply with all necessary protection for both the device and the electrical system as a whole. RCD's are recommended and are available at an additional cost. You will provide where required power to the base of the Christmas Decorations.

We may supply additional electrical extension leads at an additional cost. We will not be responsible for any hazards which may arise from the chosen location you have decided to site the Christmas Decorations. You are aware that Real trees and Live trees including 'Eco Christmas trees' are a natural product and are influenced by the conditions in which they are kept.

We will choose at our discretion what action, if any, will be taken in the event of needle drop or other physical deterioration in the tree.

Risk assessments and method statements for Christmas Decorations installation and removal can be supplied upon request.

All photographs are for illustration purposes and decorations may be subject to change.

If you damage the Christmas Displays then we shall replace these but we shall charge you. In this case you will be required to make payment as soon as we give you our invoice. Any breakages, damages, or losses which occur after installation will be the responsibility of the client and will be charged separately. Christmas Displays remain the property of Fosters Breathing Space.

When we can end the Agreement

We can also end the Agreement if you;
