# Eco

## Christmas Trees

5ft and 6ft live trees are now available in our Eco range.

These trees are supplied with a full root ball which enables continued growth far beyond the festive season. Combined with LED lights we are working towards making this Christmas the most sustainable yet.

# Large Scale Projects

Whether you're in charge of bringing the festive spirit to a shopping centre, business park or a large reception area, Christmas Tree Rentals' large scale project team are on hand to help.

Our team will design a Christmas decorations solution specific to your needs. We understand how important your image is, not only to the public but to visitors, staff and colleagues. We can provide a bespoke decoration scheme to coordinate with your corporate colours and logos.

If you are involved in facilities management or arrange services for a portfolio of locations, Christmas Tree Rentals can provide multiple trees decorated in coordinated decorations.
